Dear Rowing Friends,

We would like to kindly invite you to the 3rd International Eight+ Race - *NERETVA OPEN 2017*, which is going to be organized on July 15th 2017.

The rowing club Neretvanski gusar from Metković is soon celebrating 50 years of existence and it is our great wish to promote rowing as a sport in the Neretva

valley, as well as our valley in the rowing circles across Croatia and Europe. In order to popularize rowing in Metković, the Neretva valley and Croatia, we are organizing the 3rd international eight+ regatta – Neretva open 2017 on the Neretva River in July.

As a part of this international regatta we will also introduce you to the gastronomic and tourist offer of the Neretva valley.

The official program, registration form and the official announcement are in the attachment. We are looking forward to seeing you.

Kind regards,

President of the Rowing club Neretvanski gusar

Vido Jeramaz
